b) Others Present were Wendy Otte/Clerk, Dan Hanson, Kathy Dablow, Aaron Mayry, Burl Ingebretsen, Toby Burnside, David Slyter, Josh Grieger, Eric Christians, and Jim & Sheri Ernst.

**3) 2013 Street Project** – The purpose of this meeting is to explain the street project and get input from residents affected by the project. A hearing outline was handed out to all attending. Dan Hanson explained what the project will consist of and costs involved. The reason this project is being considered is there are multiple cracks on the roadway and the class 5 has been washed out under the roadway. The estimated cost of the base project is \$273,000 and the 1<sup>st</sup> Street (church road) project \$73,000. The City will be paying 50% of the project and the other half would be assessed to abutting property owners including the City for the park. The estimated time from start to finish on the project is 3 to 4 weeks. There will be times that driveways are not accessible, so residents affected will have to park elsewhere during those times. We may look into August for the project as not to interfere with softball, but would like to have the project completed before school resumes in the fall. Generally work hours would be between 7:00am to 7:00pm, we will also have a number for the City inspector if questions from the residents arise during the construction period. If we move forward with the project residents are allowed to work with the contractor separately if they would like any work done on the driveways, but all of that is strictly between the resident and contractor. The Council will act on whether to move forward with the project at the next City Council meeting February 19<sup>th</sup>.

**4) Adjournment**

**A MOTION** was made by Mark Hanson to adjourn. It was 2<sup>nd</sup> by Bob Dablow and the motion carried. The meeting adjourned at 7:54PM.

Respectfully Submitted
